S.M SHAH HUSSAIN

FULL STACK DEVELOPER

PROFILE

I am an aspiring full stack developer with hands-on experience in React.js, Laravel, JavaScript, HTML, CSS, and PHP. I build responsive, user-focused web applications, solve complex coding challenges, and collaborate effectively in development teams. With a solid foundation in both front-end and back-end development, I emphasize clean, maintainable code and intuitive design.

WORK EXPERIENCE

- **Phantom Cave Studio** July 2024 – October 2024
Full Stack Developer Intern
 - Developed full-stack web features using PHP and MySQL.
 - Coded responsive user interfaces using HTML, CSS, and JavaScript.
 - Integrated form validation and backend processing to capture and store user data.
- **Appicoders Inc** July 2024 – August 2024
Front-End Developer Intern
 - Built interactive UI components using vanilla JavaScript and DOM manipulation.
 - Used JavaScript to add dynamic behavior to webpages, such as dropdowns and modals
 - Collaborated with front-end and back-end developers to deliver full-stack features on time..
